I'd like to tell you about California. It's a really great place to live – you'll like it.

First of all, California has a very big _____: 38 million people from all over the world live here. I think that's exciting! And most of them are very nice.

_____ the weather is always good, so people are happier than in other parts of the US. Well, at least that's what I think.

Then there's our beautiful nature: we not only have sunny beaches, we've got hot

_____ and high mountains too. I work at the Yosemite National Park visitor center, and whenever I _____, I go _____ with a friend. Now about our earthquakes. Yes, they're a small _____.

But you don't have _____ them if you are prepared – trust me. Come and see for yourself!
